Dear Sharon,

It's been real swell this past year. We've had lots of fun eating lunch together and I'm sorry if I rushed you too much. Always remember good little Mr. Schierling and don't be too bitter. He really is nice; huh? I hope we are in classes together next year and this summer don't forget church, guest, etc. And if you want a ride call me.

Lane.

Dear Sharon,

It's been wonderful having you as a very, very close friend. I hope it continues that way forever. We have had a lot of fun together and I hope a lot more in the future.

my love

As you romp with little Dennis through the pages of pictures within this book, we hope it can bring to you the fun and happiness you have had and helped to make during the year of '55-'56 in our school of West High.

The staff of the '56 Trail would like to dedicate the yearbook for this year to a large group of hard working individuals who for the past 12 years have worked with the students here at West.

These people who have taken every care of their little charges are the parents of the Seniors of '56.

We of the Trail feel that after years of doing our homework and getting the little "Dennis the Menaces" off to school on time, it is only fitting that we as students give you some recognition.

To show our thankfulness we humbly dedicate to you, the parents, the Trail for the year 1956.

Thank you very much "Dennis the Menace" used by courtesy of Hank Ketcham. Copyright 1956 by the Hall Syndicate, Inc.
